Positive COVID-19 Cases Onboard NSA Mid-South

“The Secretary of Defense has decided for OPSEC purposes that only OSD or the Services will release numbers of confirmed COVID-19 cases that are aggregated at DoD/Service levels.”

The health and safety of every person who lives or works on NSA Mid-South is our top priority and every measure is being taken to ensure them.

- NSA Mid-South is following all DoD and CDC guidance for social distancing at installation support facilities.
- Cleaning is being conducted in all affected areas in accordance with guidance.
- NSA Mid-South is working closely with the Naval Branch Health Clinic and local public health officials to conduct contact tracing and provide personal notifications to all personnel who may be affected by positive cases.
